CARDINALS, DOGS AND CATS TO VISIT SAN FRANCISCO

Tony La Russa's Animal Rescue Foundation teams up with Pawtrero Hill Bath and Feed

WALNUT CREEK, California – July 15, 2004 – Not only will Tony La Russa's St. Louis Cardinals be playing the San Francisco Giants on the July 30 weekend but the Animal Rescue Foundation (ARF) will be in town, as well!

Please join ARF on Saturday, July 31 from Noon to 3:00P at Pawtrero Hill Bath and Feed Company in San Francisco for a mobile adoption. The public will be able to spend the day shopping at this specialized pet supply and service-oriented store as they search for the perfect four-legged addition to their family from the loads of ARF dogs and cats that will be on-site awaiting new loving homes.

A great boutique pet shop, Pawtrero Hill provides the best in supplies and services to San Francisco pets and their owners. Pawtrero Hill has a great selection of natural foods fit for human consumption, homeopathic supplements and awesome toys and gifts, all designed to keep your family members healthy, happy and in shape. This wonderful store also offers self-wash bathing stations, massage therapy and dental services in addition to pet photography.

Pawtrero Hill is located at 199 Mississippi Street at the corner of Mariposa Street and their phone number is 415-863-PAWS.

ARF's People Connect programs strengthen the human animal bond for the elderly; residents of assisted living centers, teens at juvenile hall, high school students, grade school students and young children through programs that are national models of excellence. ARF programs allow people to experience the unconditional love and acceptance of dogs and cats.

ARF's Adoption and Education Center saves the lives of loving dogs and cats who have run out of time at public shelters. ARF gives another chance at life to dogs and cats who would have otherwise may be killed. ARF provides the care and attention they need, including spay or neuter surgery, until ARF finds them a new home of their own. People rescuing animals...animals rescuing people.
