**Independence Day “Cat”stravaganza” Continues at ARF
Adopt a Cat for Free – Extended Until July 22**

WALNUT CREEK, CALIFORNIA – July 11, 2007 –Due to the unprecedented success of its original promotion, ARF is extending its Independence Day adoption special on adult cats through July 22. ARF is waiving all adoption fees on cats six months of age and older. Adoption criteria still applies.

ARF recognizes that adult cats are frequently overlooked for kittens and wants the public to know what an outstanding companion a mature cat can be. From Terrific Teens to Super Seniors, ARF has a wonderful group of loving felines who would make a purrfect addition to the family.

A feline companion will go home already spayed or neutered, vaccinated, wormed, checked for feline leukemia and microchipped. An ARF adoption specialist will work to find the perfect match for your family and lifestyle. View available cats on the ARF website www.arf.net.

ARF saves the lives of loving dogs and cats who have run out of time at public shelters. ARF gives another chance at life to dogs and cats who otherwise may be killed. ARF provides the care and attention they need, including spay or neuter surgery, until ARF finds them a new home of their own. “People rescuing animals...animals rescuing people TM.”
