**95.7 THE WOLF EAT N' GREET BACK ON TOUR FOR 2009**  
***First Stop – Tony La Russa's Animal Rescue Foundation!***

WALNUT CREEK, California – April 7, 2009 – Please join radio personalities, Ken and Corey, and Eddie, at Tony La Russa's Animal Rescue Foundation (ARF) as 95.7 The Wolf kicks off its 2009 Eat n' Greet Tour! From 6 – 10 a.m. on Friday, April 17, 2009, ARF's shelter in Walnut Creek, California will be the breakfast hot spot for country music in the Bay Area. Please stop by ARF on your morning commute and share a cup of coffee and breakfast pastries with 95.7 The Wolf and ARF. There will also be plenty of prizes to be won while you're listening to some fresh country music, including concert tickets, CD's t-shirts and much, much, more!

And who knows, at ARF's shelter you might also meet your new "best friend". Bring your friends, family and co-workers and start your Friday morning off on the right paw! Please leave your family pets in the comfort of their homes (service animals are welcome.)

ARF saves the lives of loving dogs and cats that have run out of time at public shelters and gives another chance at life to dogs and cats that otherwise would be killed. ARF provides the care and attention they need, including spay or neuter surgery, until ARF finds them a new home of their own.

ARF's People Connect programs strengthen the human animal bond for the elderly, residents of assisted living centers, teens at juvenile hall, high school students, grade school students and young children through programs that are national models of excellence. These programs allow people to experience the unconditional love and acceptance of dogs and cats. People Rescuing Animals...Animals Rescuing People...<sup>®</sup>
